TERMS OF SALE

Daley-Hodkin, LLC (the "Auctioneer") hereby sells all of the inventory, equipment, office furniture and vehicles (the "Assets ") of Pace Product Solutions, located at 122 School Street, Yonkers, New York ("Pace" or the "Debtor"). All of the Assets are sold "AS IS" and "WHERE IS" without any representation or warranty whatsoever, either expressed or implied, including but not limited to representations or warranties as to quality, quiet enjoyment, condition, mileage, OSHA safety equipment, description, merchantability or fitness for any particular purpose.

All bidders must register to become eligible to bid. All bidders are required to provide their bid paddle number at time of knockdown and a minimum first deposit of \$200 or 25% of the Bid Price, whichever is greater. **Payment of the balance in full must be made within 48 hours after the sale is concluded and prior to the removal of any of the Asset(s) purchased.**

In the event a bidder fails to give the required deposit, the Auctioneer may, without notice to the purchaser, resell the Asset anytime during or after the sale. **All deposits and payments shall consist of cash, cashier's check, cash equivalent or other certified funds made payable to Daley-Hodkin LLC.** Signed checks will be accepted only if accompanied by a bank letter drawn on a bank, which is reasonably acceptable to the Auctioneer, and which states that the bank will **guarantee payment** up to a specified amount (**THIS LETTER MUST CONTAIN THE WORDS "GUARANTEE PAYMENT"**). Signed checks delivered to the Auctioneer by the Buyer, omitting the dollar amounts will be completed and deposited by the Auctioneer at the conclusion of the auction sale.

A twelve (12%) percent buyer's premium will be added to the purchase price of each lot and will be included in your invoice.

The Auctioneer reserves the right to sell in bulk, consecutive lot number order, or in any order he deems suitable. To be successful, the cumulative total of the individual bids must exceed the bulk bid(s) by five (5%) percent. In the event of any disputed bid the Auctioneer reserves the right to put the disputed lot up for bid. The auction sheets and records of sale as set forth by the Auctioneer must be accepted as final by all purchasers. The Auctioneer is not bound by any actions or statements made by any person other than himself. In the event the Auctioneer is unable to release any lot to a purchaser, the extent of the Auctioneer's liability will be to refund any funds collected from the purchaser against that lot.

Removal of the Assets must be completed in accordance with the terms stated by the Auctioneer. All of the Assets must be removed by the purchaser at its own risk and expense and in compliance with all applicable laws, regulations or ordinances including State and Federal Environmental laws. No allowances or adjustment of any kind will be made once the Asset purchased is removed from the sale premises. At the Auctioneer's discretion, provided payment in full has been received by the auctioneer, some Assets may be permitted to be removed on the day of sale after the auction sale bookkeeping is completed. All Assets must be removed from the premises **MONDAY THROUGH FRIDAY BETWEEN 8:00 A.M AND 4:00 P.M** and must be completed as set forth in the following removal schedule:

Assets	Starting Removal Date	Final Removal Date
Inventory	Thursday, October 16 2008	Monday, November 3,2008
Pallet Racking and Shelving	Monday, October 27, 2008 (subject to auctioneer's discretion, removal date may be earlier as inventory is removed)	Wednesday, November 5,2008
All Other Assets	Thursday, October 16, 2008	Wednesday, October 22, 2008

Removal on Saturdays and Sundays will be by appointment only, and at the Auctioneer's discretion. The Auctioneer, at his discretion, may modify or extend any of the above referenced removal deadlines. Buyers will be assigned a checker to escort them to their purchases on a first come, first served basis.

Any Asset which is not removed by the final removal date shall be deemed abandoned and forfeited. If the purchaser fails to comply with the terms of final payment and/or removal, the Auctioneer reserves the right to resell the lot(s) concerned, without notice to the purchaser and any payments will be forfeited. The purchaser will remain liable for any deficiency as well as expenses incurred in connection with the resale or removal of any abandoned and forfeited Asset.

All lots offered for sale that have drawers, storage compartments or any other areas for storage, are sold without contents therein or thereon unless specifically announced otherwise by the Auctioneer. The obligation to obtain applicable permits, licenses and registration fees (i.e.: vehicles, etc.) are the sole responsibility of the purchaser.

Purchasers and their agents involved in the removal of the Assets may, at the Auctioneer's discretion, be required to provide a Certificate of Insurance naming Daley-Hodkin LLC and Summa Capital Corp. as loss payee with a minimum coverage of one million (\$1,000,000) dollars.

All chemicals, fluids or storage containers associated with any Asset purchased must be removed by qualified personnel in an environmentally safe manner before any Asset will be released. All overflows or spills must be cleaned up with absorbent material, which must be removed from the premises. Removal will not be permitted until Daley-Hodkin LLC has inspected the clean up. Failure to do so will result in the purchaser being held responsible for any costs or damages incurred.

All information, materials and reports, either verbal or printed, which have been provided by the Auctioneer are correct to the best of our knowledge and in no other way is accuracy of same guaranteed by the Auctioneer. Purchasers shall rely on their own due diligence and inspection.

The Secured Party reserves the right to confirm or reject any and all bids.

The decision of the Arbitrator shall be final, binding and non-appealable. The prevailing party shall be entitled to collect any costs and expenses incurred in connection with such arbitration, including without limitation, all reasonable legal fees and expenses.

These terms supersede any other posted or printed Terms of Sale and are read at the beginning of the sale, posted on the premises and made available to bidders at the time of registration. Prospective purchasers are deemed to have full knowledge of same regardless of what time they entered the sale premises or method of bidding. Modification or waiver of any portion of the Terms of Sale or additional terms and conditions of sale may be made by the Auctioneer at any time and said modification shall not affect any other portion of the Terms of Sale.
